310 SUNDANCER®

Downtime flies. The 310 Sundancer helps you win the weekend back with smooth, effortless performance, expertly appointed surfaces and the freedom to go anywhere you choose. From the reversible double helm seat and fold-down sun pad to the convertible V-berth and double bunk, each space is dedicated to the comfort of you and your guests. Greet Monday with the refreshed perspective that only a dreamlike escape on the water can provide.

The sporty helm station features SmartCraft® instrumentation with engine diagnostics, as well as a VHF radio and room for optional electronics.

No other manufacturer emphasizes the art of interior design quite like Sea Ray. The 310's solid-surface countertops, multi-tone vinyl and gleaming fiberglass finishes pop under a large skylight and long hullside windows.

Maximize your time on the water. The fully enclosed head, with VacuFlush® convenience, ensures fewer trips to land. Premium refinements and trimming provide an extra layer of comfort while you make even more of a day of it far away from the dock.

The 310's varied social zones allow you to enjoy the day from many beautiful vantage points. A sturdy walk-through windshield allows easy access to the foredeck area from the cockpit.

Beautiful wood finishes provide warmth and a connection to the natural world that surrounds you aboard your 310 Sundancer. Chestnut finished cabinetry comes standard but an upgrade to maple or cherry provides a touch of elegance.
