540 SUNDANCER®

The 540 Sundancer represents the latest in timeless elegance from Sea Ray, inventors of the world-famous Sundancer mid-cabin design and perfectors of the full-beam stateroom design. She carries herself with the air of luxury and seaworthiness that is inherent in every Sea Ray yacht.

The helm console includes two 12" widescreen color displays for the Raymarine® radar/GPS/chartplotters combos. Twin SmartCraft® VesselView displays mounted overhead provide the captain with detailed engine and vessel data.

The galley has a spacious countertop for food preparation as well as a coffeemaker, under-counter freezer, under-counter refrigerator, two-burner stove, microwave/convection oven, power vent, and storage.

Sea Ray used natural light and earthy elements to create an elegant atmosphere in the salon. Amenities include a Bose® speaker system with 50" flatscreen TV, sofa that converts to a bed, and wood flooring.

Owners can rejuvenate in supreme comfort in the inviting stateroom, aft. A big hull window brightens this full-beam master, which also features a queen berth with innerspring mattress and newly coordinated fabrics.

Portlights and an overhead hatch give a natural glow to the fine woodwork in the forward cabin. A third stateroom with over/under bunks is an option.

The cockpit's starboard-side wet bar can be equipped with an optional flatscreen TV, grill and refrigerator. The swim platform can be upgraded to include a hydraulic marine lift.
